Each of us has something she likes to remember above all about Sweet Briar. We of THE BRIAR PATCH staff think of this year's memories as very

The 1943 BRIAR PATCH

special ones. We have seen Sweet Briar changed by its relation to a world at war. Our hands have taken up new tasks, our minds more diversified interests. We have become urgently busy, and yet back of all the feverish activity that accompanies war we have felt the never-changing serenity of our traditions and standards.

Throughout the year we have planned with a new direction. In the confusion of return greetings in September we had more useful summers to compare. Indispensable bull-sessions have been organized for discussions of post-war planning; chatter at the Inn has been shifted to the Red Cross room in the gym.

We know more clearly than ever before the purpose of a liberal arts education and the satisfaction of living and growing together. We value these

surroundings and the times in which we live as difficult and changeable—but challenging.

It is in view of this changing scene that we present the *News of the Year*—a summary of the year's

activity. We bring you Sweet Briar, its traditions, its vitality, and glimpses of the charming idiosyncracies which make it an integral part of those who know and love it.

Members of the Alumnae Council: MRS. CLARENCE B. ROGERS (Mary Clark, Academy), MRS. HARRY B. TAYLOR (Alma Booth), MRS. EARL S. RIDLER (Polly Bissell, '17), MRS. K. N. GARDNER (Cornelia Carroll, '18), MRS. WILLIAM H. STEEBLE (Louisa New Kirk, '23), MRS. JOHN TWOHY, 2ND (Grace Merrick, '24), MRS. RICHARD BARNES (Elsetta Gilchrist, '27), MRS. CARTER, JR. (Cary Burwell, '35), MRS. FRANKLIN PARKER (Katherine Niles, '36), MRS. E. GRIFFITH DODSON (Molly Talcott, '38), MARY MACKINTOSH, '39.

The Sweet Briar Alumnae Association was organized "to further the well-being of the college, its graduates and former students, by increasing the interest of its members in the college and in each other." As a group the Alumnae Association has been active in keeping up the contacts between those who were Sweet Briar and those who are Sweet Briar today. The *Alumnae News*, published quarterly, brings to the alumnae events of interest on the campus, and those affecting Sweet Briar alumnae directly or indirectly.

Believing that it is a privilege to have a share in the dynamic business of education and in perpetuating the finest traditions of Sweet Briar, the alumnae have organized an Alumnae Fund to which voluntary contributions are made each year. The proceeds from this fund are presented to the college at the end of the academic year.

Each year at Commencement, as a memorial to a man who served Sweet Briar first as a legal advisor and later as chairman of its board of directors, the Alumnae Association gives the Manson Memorial Scholarship to an upper-classman, who, in addition to distinguishing herself in the academic field, has shown qualities which make her a real leader and contributor to the life of Sweet Briar College. On June 9, 1942, the Manson Memorial Scholarship was awarded to Miss Page Ruth of Baltimore, Maryland, a member of the Class of 1943.

Sweet Briar Day, held during the Christmas season on December 28th, brings the alumnae together in their many alumnae clubs and groups with students now attending Sweet Briar. The students are thus enabled to know the alumnae of their vicinity, and to give former students a new contact with the college and its development.

In 1937 at the suggestion of Susan Jelley, 1928, a proposal for the establishment of alumnae representatives on admission was put into effect. The purpose of this plan is to keep all interested alumnae and alumnae clubs well-informed about the academic and community life of the college by means of an especially prepared course and examination so that they may intelligently and officially represent the colleges at secondary school functions and thus create and maintain contacts vital to the well-being of the college. Each year the title, alumnae representative on admission, must be confirmed by re-examination.

SOUTHERN COLLEGE ADOPTS WAR-SERVICE PROGRAM

NEW COMMITTEE TO KEEP STUDENTS IN STRIDE WITH THE WAR EFFORT

Sweet Briar, Va. (after Dec. 7, 1941)—The War Service Committee was organized by the students with the assistance of the faculty to meet the needs of the present world crisis. The function of this organization is to provide a channel for the war effort.

It is felt that much of the instruction received from such a program will be of value to the participant in the post war world as well as in present war service.

The War Service Committee is divided into five sub-committees: Air Raid Precautions, Health, Discussion, Publicity, and Relief. Other activities carried on outside the sub-committee have included the addition of extra-curricular courses in typing, shorthand, and mechanical drawing. Señor Mangialico and an assistant group have helped in Amherst with the War Price and Rationing Board.

Creating
YEAR BOOKS
of Distinction

*It takes more than "good printing" to create
outstanding Year Books.*

The J. P. Bell Company specializes in Year Books. First, by maintaining a Department of trained and experienced personnel that devotes its entire time to the planning and servicing of Year Books. Secondly, by maintaining a plant equipped with the most modern machinery, manned by skilled, efficient workmen.

There is a certain mark of Distinction on all J. P. Bell publications.
